IDENTIFICATION

Acceptable Forms of ID*

If you register to vote at the polls on Election Day you will be required to show proof of residence and proof of identity. The best form of ID is a valid Iowa driver's license with current address.

If your Iowa driver's license has an old address on it, you can use the license as proof of identity and use one of the following as proof of residence if it contains your current address:

- Residential lease
- Property tax statement
- Utility bill
- Bank statement
- Paycheck
- Government check
- Other government document

If you do not have an Iowa driver's license, you can provide one of the following as proof of identity if it contains your photo:

- An out-of-state driver's license
- Non-driver identification card
- US passport
- US military ID
- ID card issued by employer
- Student ID issued by Iowa high school or college

* All forms of photo ID must be current, valid and contain an expiration date.

VOTING

Another Voter Can Attest for You

If you do not have proof of residence and identity, a registered voter in the precinct may attest to the fact that you are who you say you are and that you live in the precinct you say you live in.

If you have a registered voter in the precinct attest to your residence and identity, you will both be required to sign an oath. Falsely attesting or being attested for is a class "D" felony.

Provisional Ballot

If you do not have proof of residence or identity and do not have anyone who can attest to your residence and identity you will be allowed to vote a provisional ballot.

Voting by Satellite or at Your Local County Auditor's Office

If you wish to vote at a satellite location or in the auditor's office after the voter registration deadline, you will follow the election day registration procedure. You will fill out a voter registration form, show your proof of residence and identity, and be given a ballot to vote.
